SELECTMEN'S REPORT

There is a kind of comfort in thinking that our troubles are more distressing than before. But a close reading of history denies us that comfort. The truth is that our blessings are greater than ever before. Our troubles are no worse. They are different.

One thing we are going to have to do is to restore a sense of community spirit and participation at the local level which is the only level that has an immediate meaning to us and to our town.

Every person should be able to feel that there is a role for him in shaping our town, in order to make it a good place in which to live, work and play together.

With this thought in mind, may we consider together the articles in the 1967 Town Warrant.

The results of our decisions at that time can be evaluated and possibly serve as a guide for our thinking in 1968.

Article #3

We overspent on our appropriation, caused largely by the late snow storm in the spring of 1967, and the early and severe storms of this past winter.

We also had drainage problems, which made necessary the purchase of corrugated drainage pipe, plus labor for installing.

Article #5

We borrowed $120,000 in anticipation of taxes. All notes were paid on or before Dec. 27, 1967. We received a discount for prompt repayment. Our interest rate was 3.75%. Interest amounted to $2,931.52.

Article #6

We have checked very closely our unpaid tax list. We have a few properties we will be disposing of as soon as legal procedures are complete.

Some are uncollectable because of improper procedures in years past.

Article #7

The money represented in this article, $6,752.02, was used to improve conditions on south Main Street from R. R. crossing to entrance on Route 125, Prescott Road and Dump Road.

Article #8

The new fire hose was purchased as voted. This still leaves the Fire Department very short of some sizes of hose.

Article #9

This section of road was given a dressing of tar following a good honing to fill in pot holes and levelling of surface. T.R.A. money was used for this work.

Article #11

The Planning Board has been reactivated - see Planning Board Report.

Article #12

This article was tabled. The Selectmen were very much disappointed by this vote as they knew it would cost the town more money in caring for the Dump, besides having an unsatisfactory condition at the dump site.

At the present time, we have an AREA Dump because we are unable to control dumping privileges.

Article #13

This was carried out as voted.

Article #14

Conservation Commission

Article #15

Mary E. Blair Memorial Building

Article #18

The furniture purchased by the Woman's Club is in the Court room. As soon as more funds are available, we would like to refinish the floor, platform and windows.

OLD AGE ASSISTANCE

We have overexpended our appropriation for Old Age Assistance due to the increase in the number of cases, also the increased cost for room and board.

The Budget figures are only estimates of what we think will be needed.

We have no way of knowing exactly the number of cases a year ahead.

We are receiving reimbursements from the families of a number of cases at the County Home.

Some of these reimbursements have not been received as yet, due to the liquidation of estates of the deceased. These are in due process of law at the present time.

Changes in the Settlement laws as passed by the 1967 General Court will help considerably on the expense for the care of foster children in the future.

The Selectmen thank Mrs. Jerry Thayer, Mrs. Phyllis Dow for old town record books and town reports. Also thanks to Mr. and Mrs. Louis Beaucher for old town reports.

This summer, old town records were found at the dump. Four were rescued from the fire. One was a Tax Collector's book dated 1790-1824. Levi Towle was Tax Collector and Constable in 1790. The Selectmen who signed the first Tax Warrant in this book were:

Enoch Coffin
Jon A. Perkins
William Plumer

Anyone having any books or records pertaining to town government, please bring them to the Selectmen's office where they can be put in the fireproof town vault for safekeeping.

We cannot correct the mistakes of the past 100 years in a few short years, but let's try.

Respectfully submitted,

PAUL B. EVANS
WILLIS A. BAKER
LIONEL J. COTE
Board of Selectmen

PLANNING BOARD REPORT

As its first project, the reactivated Planning Board has begun work on a comprehensive map of the town.

This was selected from a long list of suggested projects as the one most immediately beneficial. In addition, it is expected to be a valuable tool for the Water Department, the Fire and Police Departments, to the selectmen in assessing taxes and other duties, in construction of the new sewer system, for planning development of the town, and to individual citizens who may need to consult it.

Board members feel this project is consistent with their legal responsibilities to provide a service function to the community and selectmen.

In addition to roads, rivers, swamps, and other topographical features usually found on such maps, the map will show property boundaries, buildings, the water system including mains and house connections, and other important details. The sewer system can be added when it is built.

The main map, on a scale of 500 feet to the inch, is broken down into 480 sectional maps on the scale of 100 feet per inch. Both the overall map and the sections will be available to the public at Town Hall, and it is anticipated copies will be purchaseable for the cost of reproduction. One section is shown here, as far as it had progressed at press time.

According to official census figures, Epping has grown 20% since 1960 - from 2,000 to 2,400. Last year there were 125 property transactions, compared with 30 to 40 five or six years ago. All indications from material studied by the Planning Board are that such growth and change will continue and most likely increase in volume. To avoid haphazard development of the limited space

available, a master plan will be created. However, Board members feel this is too big a task - and too important to every citizen of the town - for them to attempt to do the job alone. Therefore, as its first official resolution the Board voted to issue a standing invitation urging citizens to attend its meetings, to make suggestions, and to share information.

To get assistance and guidance for its work, the Board has met with experts from the planning office of the N. H. Division of Economic Development, the State Highway Department, the Soil Conservation Service and the County Forester's office.

During the coming year, plans are to complete the map, to hold informational meetings with citizens from each section of town in order to get their ideas, and to conduct a survey to determine how townspeople would like Epping to develop over the coming years.

Meetings are held alternate Thursdays at Town Hall at 7:30 P. M. The public is invited.

PROGRESS REPORT ON SEWER PROJECT

We are happy to report that great progress has been made concerning the Sewer Project.

It has taken many hours of study and planning to acquire the best site for the lagoons, which consists of approximately 60 acres of land on the south side of Route 125.

We have the deed to this property and the deed to the right of way leading to this site from Route 125.

We have all of the plans and specifications for the construction of the sewerage system. These were prepared by Anderson-Nichols Co., Inc. of Concord.

At the beginning of the year, our application for a Federal Grant was seventh on the list. Due to various reasons concerning the towns ahead of us, we have been notified that Epping is the next town to receive its Grant when Federal Funds become available.

We have been told this probably will be in June or July of 1968.

Our town bonds were sold through the First National Bank of Boston to the Florida National Bank of Jacksonville, Florida for 3.75% interest, which is a very low rate of interest.

The money has been invested in U.S. Bills through the Exeter Banking Co. until needed.

Accumulated interest on these bills up to March 14, 1968 amounts to $8,234.38, which will be credited to the town funds.

We have recently received a letter to the effect that we should be ready to let the different projects out for bids early this spring, 1968.

POLICE REPORT

I hereby submit my Police report for the year 1967.

This year, more than ever, has been a very busy one for the Police Department. Increases in all types of violations have more than doubled as is the case all over the country.

We were kept busy with motor vehicle violators, breaks, minors with possession of alcoholic beverages, etc. We are now facing a much more serious problem in that of narcotic abuse, LSD, etc. I am sure that local people are aware of the fact that neighboring towns have already experienced such problems, and you may rest assured that this Department will do everything in their power to detect and apprehend anyone connected directly, or indirectly, in any way, with this new threat. In connection with this, I cannot urge strongly enough, the importance of parents' continued support in knowing the whereabouts of their children, as well as the company they keep. If you notice any change in your children's behavior, be sure to find out the reason why, without delay.

I am pleased to report that we have acquired another 2-way Radio for the Police Department at no cost to the taxpayer. This was acquired through the benefits of the teenage police dances. This Police Department now has four radios to better serve you.

Listed below are calls and cases this past year:

Accident calls and cases	110
Death messages	9
Abandoned vehicles	12
Fights	11
Peeping Toms	7
Drunken	17
Attempted suicide	1
Malicious damage	4
Minors - possession of alcoholic beverages	19
Breaks	11
Assault	6
Stolen goods	30
Buying beer for minors	2
Lost and missing persons	7
Juvenile cases	6

Last, but not least, I wish to commend all police officers on this force who so willingly gave of their free time to attend the Rockingham County Police School, recently held at Exeter, N. H., to better acquaint themselves of the latest methods of police protection to better serve our community. Many thanks.

Respectfully submitted,

EDWARD T. LAVOIE
Chief

EPPING VOLUNTEER FIRE DEPARTMENT

I respectfully submit the annual report of the Epping Volunteer Fire Department.

In 1967, the Fire Department responded to 40 calls, (a 25% increase over last year), as follows:

7 Spot fires
8 Motor vehicle fires
6 Structural fires
5 Chimney fires
8 Miscellaneous fires
4 Mutual aid calls
2 False alarms

The Department was also asked to assist:

At accidents
In a gas leak crisis
Rescue animals in trees, well, river and on roofs
Assist with resuscitator

The Epping Fire Department consists of 29 regular volunteer firemen from all walks of life. These men do their best to keep up to date on fire-fighting techniques, in order to maintain the best protection available for the citizens of Epping. My deep appreciation and sincere thanks goes to these men who give so much of themselves unselfishly to the department.

I wish to remind the citizens of Epping that the telephone number to call in the event of a fire is 5351.

For information about a fire, call any of the following:

679-5462 - Chief Young
679-5380 - William Hurley
679-5544 - Romeo Desjardin
679-8855 - Forrest True
679-5955 - Robert Galley

Respectfully submitted,

RICHARD YOUNG
Chief

FOREST FIRE WARDEN

The year of 1967 will go down in history as a wet year although the early spring was dry and windy. During this time, we had many fires, unnecessary fires caused by carelessness and disregard for the common-sense fire laws and regulations. This lack of responsibility on the part of a few people hurts everyone. Let's work together to prevent the start of those unnecessary fires by:

1. No burning between 9:00 A.M. - 5:00 P.M. and then only with a permit from the Forest Fire Warden.

2. Take all debris and waste to the town dump.

3. Keep a clean, safe town dump.

4. Urge close supervision of children in regard to use of matches.

5. Exercise care with smoking material - use the ashtray.

RICHARD YOUNG
Warden

WATER DEPARTMENT

To the Board of Selectmen and Townspeople of Epping, N. H.:

Once again it is my privilege and pleasure to submit my report to you on the operations of your Water Department.

OPERATION FOR 1967

Total gallons pumped in 1967	32,291,200
Average number of gallons pumped per day	88,469
Increase in number of gallons pumped in 1967 over 1966	278,025
Number of services at beginning of 1967	260
Number of services installed	6
Number of services abandoned	2
Number of services repaired	3
Number of services at end of 1967	264
Number of meters installed	6
Number of meters repaired	6
Number of mains repaired	3
Number of hydrants repaired	3

All hydrants were winterized at proper time and snow removed from them.

You will notice that the gallonage pumped and consumed by the town has increased in 1967 over 1966. This is due, in part, to a new water supply for the National Shoe Company, Post Office and other new services. I can't help but wonder how the town of Epping will fare if the trend toward the increase in population that has been established in the so-called border towns in Rockingham County should continue.

Our water supply and storage capacity is now ample to take care of our immediate needs; but, I look forward to the day when we shall have to begin to think about more supply and storage facilities to cope with the increase in demand which will be created by increase in population and business establishments, which is now being experienced by our neighboring towns.

Your Water Department was able to purchase an Electric Power Drive Unit this year. This will facilitate the use of our tapping machine for new services this year, and the more simple operation of sometimes very stubborn and unyielding gate valves. This

machine should also prove to be very useful indeed when our sewage system begins to be installed. It will insure the quick and positive shut-down of water mains, if and when some services or main should accidently be broken in the digging operation.

It has been, and I hope will continue to be, the policy of your Water Department to update and modernize its maintenance program through the purchase of modern tools, equipment, and materials all paid for within its allotted appropriation.

In closing, I wish to thank all those who have once again helped to make the Water Department a successful operation again this year.

Respectfully submitted,

BERNARD O. GAUTHIER
Superintendent
Water Department

LIBRARY REPORT

Circulation of books and magazines:

Adult fiction	2,395
Adult non-fiction	1,591
Children	2,994
	6,980

As your new librarian, first let me thank the Trustees of the Harvey-Mitchell Memorial Library, Mrs. Robert Kimball, Mrs. Arthur Averill and Mr. Richard Sanborn, for giving me the opportunity to serve you, the citizens of Epping, in this capacity.

The four months I've spent learning the duties of a librarian have been enjoyable; I've attended the State Convention in Bedford, two Southeast District meetings, two book review meetings and completed a ten week course of 25 hours in Public Library Techniques at the University of New Hampshire. In the Spring, a course in Children's Serviceswwill|be available for me to attend and enable me to serve you better.

Plans are underway for the installation of a book drop in the door of the library for patrons who are now unable to return books during regular library hours. Also a sign with the hours the library is open will be installed in the near future.

Our re-registration of all patrons was started in November and now totals 250. Mrs. Irene Hutchinson has number one.

Many long overdue books have been returned, but more are still missing - please search your homes for library books and return them. The maximum fine for children's books is 25¢ and adults 50¢.

Our new card catalog is such a big help to both adults and children. Basic reference books are coming in - a new set of World Book Encyclopedias is due anytime - please come in and look over our fine collection. New fiction for adults and children await you, and we have over two dozen different magazines for reference work as well as just pleasant reading. We even have a new Zip Code Book for your convenience.

Our State Library in Concord and the District Service Center in Exeter (our own Rachel Sanborn is District Consultant) are always ready to fill requests for books, magazines, pamphlets or any other information our library does not have available.

Mrs. June Cote's 4-H Club displayed their Deerfield Fair projects in the Library window in October; and Mrs. Kimball and daughter Regina, and your librarian and daughter Penny decorated for Christmas. Mrs. Kay Straw of the Garden Club made the two beautiful wreaths for the outside over the windows.

As in the past, our janitor, Mr. Freeman, keeps our library building neat and clean, making it a pleasure just to be in as well as to work and study.

Those of you who have not had the opportunity to see our beautiful "Lydia Ladd Room" downstairs, please drop in and enjoy it. The trustees have been sponsoring once a month children's program of movies which are shown in this room. The Epping P. T. A. meets here in April during National Library Week for their regular meeting and program. Your local organizations, Women's Club and Friends of the Library, etc. enjoy the facilities of this meeting room.

Again, thank you to all those patient people I have tried to help while training on the job.

Respectfully submitted,

ALICE LANGDON
Librarian

MINUTES 1967 TOWN MEETING

The following is a report on the proceedings of the annual Town Meeting which took place on March 14, 1967.

The election of officers took place March 14, 1967, and the following officers were elected. For a three year term were: Selectman, Lionel Cote; Library Trustee, Nellie Averill; and Trustee of the Trust Funds, Alice Langdon. For a one year term: Town Clerk, Beatrice G. Marcotte; Tax Collector, Ada Young; Treasurer, Henry C. Holt; Chief of Police, Edward T. Lavoie; Auditors, Wallace deRochemont and Frank J. Langdon; Overseer of Poor, Wallace deRochemont. At this time a vote was taken to postpone action on articles 2 through 20 until March 21, 1967, which was approved.

On March 21, 1967, the budget and warrant were acted upon with the Moderator Claude Goodrich presiding.

Article 2: To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

Under this article, the police department was increased $1,500.00, Town reports increased $50.00, Winter maintenance $2,000.00, Town salaries $275.00, Ballfield $350.00 and Seacoast Association $50.00.

Article 3: To see what sums of money the Town will vote to raise and appropriate for roads, bridges and sidewalks.

This article was covered in the budget.

Article 4: To see what sum of money the Town will vote to raise and appropriate for Memorial Day expenses.

This article was covered in the budget.

Article 5: To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

A motion was made to accept this article, a vote was taken and passed in the affirmative.

Article 6: To see if the Town will vote to authorize the Selectmen to sell property taken by tax title or otherwise, providing such property is advertised fifteen (15) days in advance of sale, and such notice is posted in three public places.

A motion was made to accept this article, voted on and passed in the affirmative.

Article 7: To see if the Town will vote to raise and appropriate the sum of $880.70 and the State to contribute $5,871.32 towards class V construction and for improvement to our town.

This article was covered in the budget, but a vote was taken to accept this article as read and was approved.

Article 8: To see if the Town will vote to raise and appropriate the sum of $300.00 for new fire hose.

A motion was made to accept this article, voted on and passed in the affirmative.

Article 9: To see if the Town will vote to raise and appropriate the sum of $2,000.00 for the purpose of improving the Old Hedding Road (dump road) continuing East from point of termination of 1966 improvement.

A motion was made to table this article, and a vote was taken by show of hands, and this article was defeated.

Article 10: To see if the Town will vote to raise and appropriate the sum of $200.00 to be used in cooperation with State and Federal funds for the control of White Pine Blister Rust within the confines of the town.

A motion was made to accept this article, a vote was taken and passed.

Article 11: To see if the Town will vote to establish a Planning Board, consisting of five members, and to authorize and empower the Planning Board to approve or disapprove in its discretion, plats, showing streets or the widening thereof, or parks and upon adoption of this article it shall be the duty of the Town Clerk to file with the Register of Deeds of the County of Rockingham, a certificate or notice showing that saiu Planning Board has been so authorized, as provided in Section 19-29 inclusive, Chapter 36, RSA as amended.

There was lengthy discussion on this article and the feeling was given that the townspeople were not sure of the duties involved and the power that the board would have and the information was not available at this time, so a motion was made to give the Selectmen and the committee they are to appoint more time to get this information and to have a special meeting to discuss it and the time of the meeting to be held at the discretion of the Selectment and the committee appointed. This motion was put to a vote and passed.

Article 12: To see if the Town will vote to raise and appriate the sum of $1,000.00 to provide and erect a Chain Link fence

at the Epping Town Dump.

A motion was made to table this article indefinitely, voted on and passed.

Article 13: To see if the Town will vote to raise and appropriate $500.00 for upkeep of Langley Field.

A motion was made to accept this article, voted on and passed.

Article 14: To see if the Town will establish a town conservation Commission, as set forth in RSA 36A.

A motion was made to accept this article, voted and passed.

Article 15: To see if the Town will vote to authorize the Selectmen to lease or sell the West Epping School Property so called, upon such terms and conditions as the Selectmen shall determine.

A motion was made to amend this article to delete the word sell and this property to be called the Mary E. F. Blair Memorial. This motion was put to a vote and passed.

Article 16: To see if the Town will vote to raise and appropriate the sum of $50.00 for the New Hampshire Seacoast Regional Development Association.

This article was put to a vote and passed.

Article 17: To see if the Town will vote to have a detailed report and audit of all receipts and expenditures by any individual, department, or group handling town monies.

A motion was made to accept this article, and a vote was taken by show of hands, and the article was defeated.

Article 18: To see if the Town will vote to accept the gift of $50.00 from the Epping Women's Club for the purchase of Court Room furniture.

A motion was made to accept this article, voted on and passed.

Article 19: To see if the Town will vote to annually elect by ballot its Police Chief for a term of one year (1 yr.).

A motion was made to table this article indefinitely, voted on and passed.

Article 20: To transact any other business that may legally come before this meeting.

Under this article the selectmen asked the Moderator to read the ruling of the tenure of office for the Chief of Police from the Town Attorney and the Moderator at this time interpreted the ruling that the term would be three (3) years.

A motion was made to accept the Total Budget of $315,633.70, a vote was taken on this motion and passed in the affirmative.

The meeting then adjourned.

BEATRICE G. MARCOTTE
Town Clerk

NOTES OF HISTORICAL INTEREST

* Epping has an area of 12,960 acres.

* Epping originally formed a portion of Exeter, and its first settlement commenced with the early history of New Hampshire, long before it was severed from that town.

* Epping was incorporated February 23, 1741 (Feb. 12, 1741, by the English Calendar).

It was the first town incorporated during the administration of Benning Wentworth, who as the first Governor of the Province of New Hampshire, established many towns and called them after the towns of England which he loved and revered.

It is the second oldest town in the world bearing the name of Epping.

Epping - North Dakota - Williams County

Australia

Epping - New South Wales
Epping - near Melbourne, Victoria
Epping Forest - Queensland
Epping Forest - Tasmania

France

Epping - Moselle

In England, the oldest of these towns existed in early Saxon times. It is situated 16 miles northeast of London and has a population of about 4,500.

The beautiful forests of Epping reminded the people of our early community of Epping Forest, England.

Lumbering mast trees in Epping was an early occupation of the people, especially in the locality around Mast Road.

Mast Road forks southwest from the road coming from Newfields, passes the location where Hedding railroad station formerly stood and leads to the Star Brick Yard (where Star Raceway now is).

The ancient road from Newfields was called Mast Way and shortly after crossing the present boundary into Epping, turned south and came to a dead end at some place in the woods.

Many trees cut were marked with letter "R," which showed that they belonged to the King of England. These trees were used as masts for the King's ships, hence came the names Mast Way and Mast Road.

* When Epping was incorporated, Nathan Sanborn, Jonathan Norris and Samuel Smith were authorized to call the first town meeting.

Officers elected at this meeting:

Moderator, Jacob Smith
Clerk, Samuel Smith
Constable, Samuel Norris
Selectmen:
  Jacob Smith
  Samuel Elkins
  Nathan Sanborn
Gaugers:
  James Norris
  Jonathan Rundlett
Tithingman, Ebenezer Mardin
Surveyors of Highways:
  Richard Sanborn
  David Lawrence
Haywards:
  Jacob Sanborn
  Joel Judkins

The first town meeting was held at the house of James Norris in 1741. After that they were held at the houses of various residents until 1750. From 1750 until 1848 they were held at the Congregational Meeting house. (Supposed to be on or near the spot where the Central Cemetery on Boars Head Hill now is.)

At town meeting held on March 14, 1848, Mr. John J. Plumer offered to give the Kittridge House, and the land on which it stood to the town for a town house, on these conditions; that the house should not be removed from the place where it stood, and that the annual and other meetings of the town should be held

therein and that if these conditions were not complied with that the gift should become void, and the land and buildings should revert to his heirs or assigns.

This offer was accepted and the meeting of November 7, 1848 was held in the new town house.

This house was situated at the corner of Plumer Street and the road leading from there to North Epping. (This location was formerly the Centre of the town and the larger portion of its business was done there.)

The town continued to hold its meetings in this house, until March 1893, when it reverted to the heirs of Mr. Plumer.

On April 23, 1892, it was voted to build a new Town Hall and Charles W. Sanborn, John Leddy, and Frank P. Blaisdell were chosen as building committee.

The present brick building, located on Main Street on the South side of the Lamprey River was erected the following year and has continued to be used for town purposes until the present time.

* In 1892 the Library was opened in the Town Hall with Mrs. L. H. Buswell as Librarian.

Branch libraries were established at West Epping and North Epping.

* FIRE DEPARTMENT

Epping has never had a paid Fire Department, but for many years has been well served by various volunteer companies.

Previous to 1935 the companies and their equipment were housed in the basement of the Town Hall. In that year the town erected the brick fire station on Main Street. The company numbered 60 men.

* Up to 1795 taxes were paid in English pounds, shillings and pence, lawful money. In 1794, the taxes amounted to 224 pounds, 17 shillings and 9 pence.

In 1795 taxes amounted in the whole to the sum of $1,550.48.

"And you are to pay and deliver the several sums which you shall to collect in the following manner (viz). You are to pay into the Treasury of said State, $296.67 on or before the last day of December next.

You are to pay into the Treasury of said County of Rockingham $37.09 on or before the first day of September next.

You are to pay the Rev. Peter Holt $456.67 on or before the last day of February next.

The remainder of the aforesaid sum of $1,550.48 you are to pay to the Selectmen which amounts to $756.66.

Hereof, Fail not. Given unto our hand by seals at Epping aforesaid this fifteenth day of July in the year of our Lord 1795."

Jon[a] Clark (S)	Selectmen
Thomas Harris (S)	of
Josiah Dow (S)	Epping

Jeremiah M. Sanborn was the Tax Collector this year 1795.

In 1798 Highways were added to town taxes.

With this sum of $756.66 the Selectmen had to pay the expense of schools, poor bridges, etc. for the current year, 1795.

Note: The above was copied from the Tax book found at our Town Dump this past summer.

TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Epping in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Epping on Tuesday, the twelfth day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see what sums of money the Town will vote to raise and appropriate for roads, bridges and sidewalks.

4. To see what sum of money the Town will vote to raise and appropriate for Memorial Day expenses.

5. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

6. To see if the Town will vote to authorize the Selectmen to administer, sell, or otherwise dispose of any real estate acquired by tax title or otherwise either by private sale or public auction, providing that if such property is to be sold at public auction, then the same shall be advertised 15 days in advance of sale with notice thereof posted in three public places.

7. To see if the Town will vote to raise and appropriate the sum of $980.93 and the State to contribute $6,539.55 towards Class V Construction for the improvement to our town.

8. To see if the Town will vote to raise and appropriate the sum of $1,300.00 for the purchase of 1,000 feet of 1-1/2 inch fire hose.

Epping Volunteer Fire Department
Selectmen

9. To see what action the Town wishes to take relative to the restoration of the so called "Town Clock" located in the tower of the Epping Community Church.

Selectmen

10. To see if the Town will vote to raise and appropriate the sum of $1,250.00 to provide and erect a chain link fence at

the site of the Epping Town Dump.

Selectmen

11. To see if the Town will vote to raise and appropriate the sum of $2,400.00 to purchase Visiting Nurse services for the inhabitants of Epping from the Exeter Visiting Nurse Extension Service.

Mrs. Audrey Castle
Selectmen

12. To see if the Town will vote to authorize the Selectmen to sell the West Epping Mary E. Blair Memorial Building, upon such terms and conditions as the Selectmen shall determine.

Selectmen

13. To see if the Town will vote to publish the property assessments in the Annual Town Report every four years beginning in 1972.

Selectmen

14. To see if the Town will appropriate funds for the tarring of the School House Road from the so called Beede Road to the end of the gravel road near the property of Arthur Hartford.

Mr. Maitland Knowles
Mr. William A. Fasth

15. To see if the Town will appropriate $400.00 for complete annual auditing by public accountants of all Town Officers' financial accounts.

Selectmen

16. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this fifth day of February, in the year of our Lord nineteen hundred and sixty eight.

PAUL B. EVANS
WILLIS A. BAKER
LIONEL J. COTE
Selectmen of Epping

A true copy of Warrant - Attest:

PAUL B. EVANS
WILLIS A. BAKER
LIONEL J. COTE
Selectmen of Epping

SUMMARY OF THE WARRANT

Pertaining to article #10

The Selectmen are requesting $1,500.00 for fencing and reconditioning the present Town Dump site.

Reasons are: Epping is not maintaining a Town Dump - it is maintaining an AREA Dump. As you all probably have noticed, neighboring town Dumps are fenced in and have regular dumping hours. During the hours that these Dumps are closed, WE are open for the convenience of all citizens of these towns. This is costing you money.

We are very fortunate to have a Dump Superintendent that tries very hard to keep the area open and clean for you. This is now becoming impossible due to the above reason and to the irresponsibility of persons who throw their refuse most anywhere.

Our Dump Superintendent moves material back three times per week during the peak season. Can we continue to expect a man to use his heavy equipment and labor for $3.50 per hour? We should either adjust this financing or establish more control by proper fencing and fixed "dumping hours."

Pertaining to article #13 (Property Value figures)

The Board of Selectmen suggest that property assessments be placed in the Town Report every four years rather than every two years. We are making every effort to make the Town Report not only a financial report, but also a report of interesting reading, such as facts of its history, photos and ideas of its future. Space in the report is valuable and limited. Several interesting items had to be refused because of the additional cost. If you will read the printed assessments very carefully, you will see very few changes in such a great number of listings. Therefore, we again present this article for your approval, and shall use it as guideline for future reports to decide the type of Town Report to be compiled.

Pertaining to article #8 (Fire Hose)

The purpose of the amount mentioned in the article is the mere fact that the Fire Department is running inefficiently toward your protection when it does not have enough hose available to adequately suppress many possible fires.

Pertaining to article #9 (Town Clock)

Most citizens have noticed that the Town Clock no longer operates. The reason being the fact that substantial repairs must be made to the internal structure of the clock, plus a complete new face. Definite statistics of the origin of "the clock" have not been known to the Selectmen, but it is known that this landmark has been with us a long time, and it is the feeling of this office that such an old tradition should be preserved for the benefit of the town, if at all possible. We would also appreciate any information anyone may have pertaining to the history of the Clock.

BUDGET

Estimated Revenue and Expenditures for the Ensuing Year
January 1, 1968 to December 31, 1968
Compared with Estimated and Actual Revenue, Appropriations
and Expenditures of the Previous Year
January 1, 1967 to December 31, 1967

SCHOOL REPORT

together with the

SCHOOL BOARD'S PROPOSED BUDGET

OFFICERS OF THE EPPING SCHOOL DISTRICT

1967-1968

SCHOOL BOARD

Robert G. Kimball, Chairman	Term Expires 1969
William H. Anderson	Term Expires 1970
Jack O. Lavoie	Term Expires 1968

SUPERINTENDENT OF SCHOOLS

Francis C. Wilson

ASSISTANT SUPERINTENDENT OF SCHOOLS

Frank S. Games

PRINCIPAL

Arthur G. Lucier

TREASURER

Elizabeth A. Bilodeau

MODERATOR

Claude A. Goodrich

CLERK

Flora M. Goodrich

ATTENDANCE OFFICER

Francis J. Lavoie

SCHOOL NURSE

Lora L. Lavoie, R.N.

1967 SCHOOL DISTRICT MEETING REVIEW

School District Officers were elected as follows:

Moderator - Claude A. Goodrich
Clerk - Flora M. Goodrich
Treasurer - Elizabeth A. Bilodeau
School Board Member:
Jack O. Lavoie - for one year
William H. Anderson - for three years

The Annual School Meeting originally called to order at 1:00 P. M. March 11, 1967 was adjourned, when it appeared that no checklists were available, to March 18th. At that time, all articles except those dealing with the election of officers were acted on.

Particular interest centered around warrant article #6 to "authorize the school board to enter into a tuition contract with the Sanborn Regional School District for the education of Epping High School pupils." A motion to notify the Sanborn Regional District that the Epping School District was "interested in considering a long-term contract" was made and seconded. After some discussion, a motion was made and seconded to amend the motion on the floor. Then the meeting discussed whether or not the school board should be "authorized to send our high school students to Sanborn Regional School." After that both motions were withdrawn and a ballot vote was taken on the warrant article. Fifty-four voted "Yes"; One hundred twenty-seven voted "No." The article was defeated.

Under article #7, it was voted "to borrow $165,000 and construct a gym. One hundred ten voted "Yes"; Fifty-four voted "No."

Under article #8 it was voted to borrow $50,000 more and construct a four classroom addition to the Carrie A. Odiorne Junior High School. One hundred twenty-five voted "Yes"; Thirty-one voted "No."

At this meeting it was also voted to sell the lot of land conveyed to the school district in the settlement of the Lydia Ladd estate. (Article #5)

Two other articles, one dealing with a capital reserve fund and another dealing with the publishing of salaries of personnel were tabled. (Articles 9 & 10)

The total budget, after being amended to add $400 for additional heating units in the shop and add $900 for the salary of a driver education instructor and delete $5,000 earmarked for a capital reserve fund, totaled $526,083 and was adopted. (Article #4)

At the conclusion of the meeting Mrs. Louise Harvey was given a hearty vote of appreciation for seven years of service to the district as a school board member.

SCHOOL WARRANT

STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Epping qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the twelfth day of March 1968 at nine o'clock in the forenoon, to act upon the following subjects: The polls may not close before five o'clock in the afternoon.

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To transact any other business which may legally come before this meeting.

Note: The above warrant is unofficial. The official warrant with changes, if any, will be posted February 26th 1968.

SCHOOL WARRANT

STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Epping qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the ninth day of March 1968 at one o'clock in the afternoon, to act upon the following subjects:

1. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.

2. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

3. To choose Agents and Committees in relation to any subject embraced in this warrant.

4. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of the statutory obligations of the District.

5. To see if the Epping School District will authorize the Epping School Board to employ a physical education instructor and to see what sum of money the district will appropriate for his salary.

6. To see if the Epping School District will authorize the Epping School Board to contract for a fourth school bus and to see what sum of money the district will appropriate for that purpose.

7. To see if the Epping School District will authorize the Epping School Board to install rubber safety stair treads on stairs in Central School and Watson Academy.

8. To see if the District will authorize the purchase of twelve acres additional land, resilient tile flooring, acoustical tile ceilings, lockers, glass basketball backboards, folding bleachers, a portable stage, gym equipment, folding chairs, classroom chairs and desks, and the contracting for painting several interior and exterior areas including the gym floor, and to further contract for the construction of necessary drives and walks; all to complete the construction and equipping of the present addition to the Carrie A. Odiorne Junior High School, appropriate not to exceed $30,000 therefor, determine how appropriation shall be raised whether by taxation or by borrowing, and if by borrowing, to authorize the issuance of serial notes under the Municipal Finance Act or any other

enabling authority, and to take any other action incidental to or connected with the foregoing matters or any of them.

9. On petition of ten legal voters: To see whether the District will authorize the construction, equipping, and furnishing of a four-room classroom addition to the Central School, appropriate not exceeding $65,000.00 therefor, determine how any such appropriation shall be raised - whether by taxation, transfer of available funds or by borrowing and, if by borrowing, to authorize the issuance and sale of bonds of the District under the Municipal Finance Act or any other enabling authority, and to take any action incidental to or connected with the foregoing matter or any of them.

10. To transact any other business which may legally come before this meeting.

Note: The above warrant is unofficial. The official warrant with changes, if any, will be posted February 23, 1968.

PROGRESS REPORT
CARRIE A. ODIORNE SCHOOL ADDITIONS

On March 18, 1967, the Epping School District, by a vote of 110 to 54, decided to appropriate $165,000 for the construction of a gym and by a vote of 125 to 31 decided to appropriate $50,000 for the construction of a four classroom addition to the Carrie A. Odiorne Junior High School.

The school board decided to seek the counsel of a building committee in expending the $215,000 appropriated. Library Trustee, Mrs. Arthur Averill; Tax Collector, Mrs. Richard Young; Representative, John Hoar; Selectman, Lionel Cote; Moderator, Claude Goodrich; a former physical education director, Richard Preston; basketball coach, Edward Warren; and school principal, Arthur Lucier accepted appointment to the committee.

Several banks were contacted and the First National Bank of Boston was selected to handle the raising of the $215,000 by the sale of serial bonds of the Epping School District. Six banks and securities brokers bid on the bonds. The low bidder was W. E. Hutton & Company at an interest rate of 4.2% (A rate of 4.5% had been estimated in projecting future cost. The district was most fortunate to secure so favorable a rate, when other issues were going begging for money at any rate.)

Irving W. Hersey Associates of Durham, who designed the last addition at Central School, was selected to design the addition. Several other architects were contacted and two others were interviewed.

Several arrangements of rooms were proposed by the architect and submitted to the board and the building committee. A 14,900 square foot layout called "Program Study #7" seemed to best fit our needs and suggestions by a representative of the State Department of Education. He had requested the gym to be designed so that a significant increase in its size would be feasible and that construction of a permanent stage be omitted. (The gym, made up of four 96' x 17' modules presently, may be expanded as growth of the district requires by adding one or more 17' modules. The insulated steel north wall may be dismantled and re-erected on a new location. The 96' dimension will remain constant.) He later approved the completed plans provided that the district acquire twelve additional acres of land so as to assure an adequate site for future expansion to accommodate any possible future growth.

The state fire marshall approved the plans provided that existing entrance doors become smoke screens. As a result, three smoke screens will be provided in the completed building. Should a fire erupt in any section of the corridor, that section could be blocked by closing the smoke screen doors and students leave the building by other sections of the corridor. The gym has exits at each of the four corners.

In addition to the four classrooms, the gym, and boys and girls locker rooms and the lobby, three new and much needed storage areas also will be provided in the completed building. Provision has also been made for extension of corridors by installing lintels and panels of concrete blocks where future doors may go.

Considerable time and study was expended by the building committee and the school board in deciding on how to heat the addition. The architect estimated that $15,600 could be saved in the original cost of the building by using electric heat throughout as compared to oil fired forced hot water. As the present boiler could be used to heat the present building and the four new classrooms it was decided to use electric heat only in the gym portion. Providing additional heat for future building with electric heat can be done by notifying the electric company and having a larger transformer installed. Replacing a boiler with a larger one each time would have to be done at district expense. Annual operating costs have been estimated to compare favorably.

On September 21, three contractors bid on the project. The low bidder at $232,664 including alternates, was L & L Construction Company of Exeter. The other bidders were: David W. Davison of Manchester at $270,369 and Harper Construction of Concord at $272,061. All bids exceeded available funds and the calling of a special emergency school meeting was seriously considered. When it appeared the delay would require readvertising for bids, all of which could be significantly higher than the original bids, and when it was found that a contract could be signed within available funds if the painting, the resilient tile flooring and the acoustical tile ceilings were deleted and certain other modifications were made; the board decided to take advantage of the L & L Construction Company bid. A notice of award was forwarded on October 18th. The total contract price was $200,622. The balance of the

bond issue will be used for architect's fees and the cost of selling the bonds.

Elsewhere in this report is a request for a deficiency appropriation. At the time the $215,000 price for the addition was set, it was believed all of these things and the building could be secured from proceeds of the bond issue. However, it was not possible. Therefore, to complete the building, a deficiency appropriation is requested. Building Aid is available on all items listed. Firm commitments on the prices listed are in hand or will be before school meeting.

SUPERINTENDENT'S REPORT

It is a pleasure to submit my sixth annual report to the citizens of Epping.

This year, for the first time in many, the town of Epping is not directly involved in any major educational controversy. The Sanborn Regional tuition plan, as well as any others, is no longer an issue. The Raymond-Epping-Candia Cooperative study group discontinued its meetings well over a year ago; and, there are no local building program articles in the warrant.

Therefore, I would like to mention some of the educational developments taking place in Supervisory Union No. 14 which have a direct bearing upon your schools and more particularly upon the classroom learning process.

In the area of curriculum development and classroom observation and evaluation, we are very fortunate to have an assistant superintendent devoting considerable time to this most important aspect of education. The following material was taken from one of his progress reports.

Assistant Superintendent Frank Games states that in the field of elementary curriculum revision, a reading workshop was held for all first and second grade teachers of the Union. A careful examination of the existing textbooks and materials was made. As a result of this workshop, a new reading series with three levels was adopted. Such a move requires several years of budget consideration and with the proper years of depreciation being allowed to the textbooks on hand. The present textbooks are adequate for the average reader, but lack the proper motivation for the enrichment of the talented pupils as well as for the remedial group who have reading disabilities.

School readiness of the pupils entering the first grade is receiving more and more study by educational consultants. During the summer of 1967 we had twenty-six pupils attend the Headstart programs in Exeter, Raymond, and Derry. Our principals are now evaluating the effect of Headstart on our pupils to see what impetus this program has when it is related to school success.

A handbook for parents was issued in May to cover all pupils who were planning to enter the first grade in September. This, combined with the school visitation, hopefully gave an orientation to the new pupils as well as to the parents. Early in the school year a guide was sent home for first grade parents to fill out. It required

a thoughtful description of many activities and skills that could aid the teacher to understand the individual child. We were gratified that all parents cooperated in this time-consuming questionnaire. It has been a source of information, a resource for parent-teacher conferences, and a research instrument for the guidance of the school administrators. Next year, it may be revised based on the experience of the present school year.

It now appears that the Federal government will be a permanent partner in the support of elementary and secondary education. Recent directives indicate the amount allocated to any program must have a total budget of over $2,500. This means that several towns in our union must join together since the total grant for each of the towns is less than $2,500. We are seeking to involve the principals in programs that serve real needs in their schools rather than crash projects to utilize money that is available.

It is our philosophy that more flexibility should be given to the nature of the Title I projects which bases the allocation on the economically deprived children of the school district. At this time, most of the money is being used to develop remedial programs in reading or for special help classes where we have educationally deprived pupils. (In keeping with the above plan, Epping uses its allotment to employ a part-time remedial reading teacher and to help defray transportation expenses for the special pupils attending the Rockingham School for Special Children in Exeter.)

Mr. Games further states that Title II projects for improving elementary classroom libraries, reading materials, and facilities for centralized secondary school libraries is meeting a vital need in all our school districts. The teachers as well as the principals have carefully weighed their requirements to make each dollar purchase some needed item.

Staff changes in Epping were held to a minimum this past year - only a 14% turnover. This small turnover is certainly a credit to the school board, local administrators, and the community, especially at a time when teachers are changing positions at a record-setting pace. Your support of the gradual teachers' salary increases each year has also been an important factor in retaining these teachers. We hope that you will continue to exercise this good judgment in the future.

FRANCIS C. WILSON
Superintendent of Schools

REPORT OF THE SCHOOL NURSE

To the Superintendent of Schools, School Board, and Citizens of Epping:

It is with pleasure that I submit my first full annual report, and I take this opportunity to review the Health Program and some of the things I was able to accomplish this year, along with some statistical reports.

DENTAL

The Dental Clinic is sponsored annually by the Epping Women's Club in conjunction with the New Hampshire Department of Dental Health which provides the matching funds.

Each year the pupils in Grade 3 participate in a special dental program sponsored by the makers of Crest toothpaste. The purpose of this program is to encourage proper toothbrushing and care of the teeth.

The services of a dental hygienist from the New Hampshire Department of Dental Health was obtained free this year for a dental education program for students in grades 1-8.. This program included instruction in the proper brushing and care of the teeth; how and why tooth decay occurs, and how to prevent it; along with proper dental nutrition.

SAFETY

Statistics tell us that in New Hampshire and the entire United States, the leading cause of death in people ages 1-29 is ACCIDENTS. We were privileged to have a fire prevention and safety program sponsored by the New Hampshire Division of Resource Development and presented by the law enforcement officer, for grades 1-6.

OTHER PROGRAMS

Other special health instruction classes included: Personal Hygiene, Home Nursing, Teenage Problems, Care of the Scalp and Hair, and Tuberculosis Testing Program.

In September 1966 we formed our first "Epping Future Nurses' Club" and received our National Charter. This club is primarily an educational one for those interested in nursing and other health careers.

STATISTICAL REPORT

Examinations by Physicians - sports participants	84
Immunizations (Flu shots for school personnel only)	23
Hemoglobin Tests	14
Urinalysis	14
Tuberculin Testing	196
Chest X-ray	9

Screening Tests by School Nurse	Number of Pupils	Number of Defects Found	Number seen and treated
Vision tests and retests	682	118	85
Hearing tests and retests	530	5	2

DIVISION OF MUNICIPAL ACCOUNTING

STATE TAX COMMISSION

Concord, New Hampshire

SUMMARY OF FINDINGS AND RECOMMENDATIONS

August 28, 1967

The School Board
Epping School District
Epping, New Hampshire

Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the Epping School District for the fiscal year ended June 30, 1967, which was made by this Division in accordance with your request. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the School Board and the School District Treasurer.

FINANCIAL STATEMENTS

Comparative Balance Sheets: (Exhibit A)

Comparative Balance Sheets as of June 30, 1966 and June 30, 1967, are presented in Exhibit A. As indicated therein, the Net Debt decreased by $10,646.37 during the fiscal year ended June 30, 1967.

Analysis of Change in Financial Condition: (Exhibit B)

An analysis of change in financial condition of the School District during the fiscal year is made in Exhibit B, with the factors which caused the change indicated therein.

Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues: (Exhibits C & D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended June 30, 1967, are presented in Exhibits C and D. As indicated by the

budget summary (Exhibit D), a revenue surplus of $2,066.62, plus a net unexpended balance of appropriations of $1,087.58, resulted in a net budget surplus of $3,154.20.

Statement of Receipts and Expenditures: (Exhibit E-1)

A summary statement of receipts and expenditures for the fiscal year ended June 30, 1967, made up in accordance with the uniform classification of accounts, is included in Exhibit E-1. Proof of the Treasurer's balance as of June 30, 1967, is indicated in Exhibit E-2.

Statement of Building Fund Account: (Exhibit F)

A statement of the activity in the Building Fund Account during the fiscal year is presented in Exhibit F.

Student Activities Fund: (Exhibit G)

A statement of the Student Activities Fund for the fiscal year of 1966-67 is included in Exhibit G.

School Lunch Account: (Exhibit H)

A summary statement of the School Lunch Account is included in Exhibit H.

Statement of School Tax Account: (Exhibit I)

A statement of the School Tax Account with the Town of Epping is presented in ExhibitII. As indicated therein, as of June 30, 1967, the School District had received from the Town the total amount of the 1966-67 School Tax of $183,367.53, plus an overpayment on account of the 1966-67 School Tax in the amount of $12,600.00

Statement of Bonded Debt: (Exhibit J)

A statement of the outstanding bonded indebtedness of the School District as of June 30, 1967, showing annual debt service requirements, is contained in Exhibit J.

GENERAL COMMENTS

Current Surplus:

The current surplus (excess of total assets over current lia-

bilities) decreased from $4,507.83 to $3,154.20 during the fiscal year ended June 30, 1967, as shown herewith:

	June 30, 1966	June 30, 1967
Total Assets	$12,969.40	$18,417.53
Current Liabilities	8,461.57	15,263.33
Current Surplus	$ 4,507.83	$ 3,154.20

Conclusion:

The provisions of Chapter 184, of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the School District.

We extend our thanks to the officials of the Epping School District for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER
Director
Division of Municipal Accounting
State Tax Commission
